

Take the checkout
to the customers

Poynt 5: Ultimate Mobility

Our latest addition to the Poynt family pushes the envelope of convenience and mobility. The Poynt 5 has all the powerful features of the Poynt Smart Terminal, but is about half the size and boasts a 5-inch screen. Poynt 5 interacts with the Poynt Smart Terminal right out of the box or can be used standalone!

TRULY MOBILE

A full-featured, handheld device that works with your Poynt Smart Terminal and HQ. Speeds up the checkout process.

WIRELESS FREEDOM

WiFi capabilities enables you to take the checkout (and tipping) to your customer, inside or outside your business.

ACCEPT ALL PAYMENTS

Processes all payment types – magstripe, chip (EMV) cards, and mobile payments such as Apple Pay (NFC).

POWERFUL SECURITY

With encryption and Safe-T, your customers' payment data is protected by the latest technology.

STRONG SUPPORT

Includes a dedicated support team to help whenever you need it 24 hours a day, 7 days a week.

ROBUST REPORTING

Our HQ dashboard makes it easy to monitor sales, refund transactions, and settle with one click.
